DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Scott Friend House is located on the E side of Maryland Rt. 53 at its junction with Old Morgantown Road at Selbysport. The facade of the house points W.

The house is a two-story, T-plan, gable-roofed structure with a symmetrical five-bay facade. A shed porch fills in the T on the N elevation, and a hipped-roof porch runs the length of the facade.

The house rests on a cut stone foundation and is covered with brown asphalt siding over German siding. All windows are two over two sash except the attic windows, which are one-pane lancets. All windows have plain surrounds and new storm windows have been installed. The facade door has a rectangular four-paned transom and two-paned side-lights. The roof has a cross gable on the facade and is covered with standing seam metal.

The house has two interior flues; one on the W elevation, and one in the center of the T. The porches are supported by turned posts.

The interior of the house has a center stair hall with rooms at either side. Several of the interior doors have been painted and grained to resemble another wood.

STATEMENT OF SIGNIFICANCE

This house once belonged to the heirs of John Frantz of Joseph, a prominent Selbysport citizen and the son of one of the first Frantzes to settle in what was then Allegany County. John Frantz was a tanner and a farmer, and was elected to the state legislature in 1852.

From 1943 through her death in 1957, the house was owned by Inez M. (Nezzie) Friend, who taught at the Selbysport School, G-II-A-165.
